

Air Grinders - Straight Grinder - PG 3/210 DH - 21,000 RPM / 0.3 HP (220 Watts) - PG 3/210

PFERD offers a wealth of possibilities for combining abrasives and power tool systems to achieve the perfect solution for any given material/workpiece and machining task. PFERD power tools include electric, pneumatic and flexible shaft machines. Accessories and tool maintenance equipment for all tools is also available.

The PFERD range of premium quality pneumatic grinders includes straight and angle heads, COMBIDISC-specific tools and belt sanders. RPM's from 80,000 to 12,000, rear or front exhaust, and multiple throttle styles. The common features throughout the line include high power output, low vibration, long service life and quality components.

Model PG 3/210 DH runs at 21,000 RPM's. It is very lightweight and also very powerful, with a .3HP rating. Ideal for use with PFERD 1/8" and 1/4" shank burs, mounted points, cartridge rolls, spiral bands and much more. Easy handling and low vibration result in a tool that you will enjoy to use daily on your most common applications. Engineered to provide extended service life and superior finishing results.

- **Features:**
 - Dual Throttle - Ring (twist), Lever
 - Front Exhaust
- **Specifications:**
 - RPM: 21,000
 - For 3/8" I.D. Air Hose
 - Air Consumption: 12.3 CFM
 - 1/4" NPT connection for air supply hose
- **Includes**
 - Power Tool Model PG 3/210
 - 1/4" collet
 - Keys
