

Air Grinders - Straight Grinder - PGAS 1/800 - 80,000 RPM / 0.1 HP (75 Watts) - PGAS 1/800

PFERD offers a wealth of possibilities for combining abrasives and power tool systems to achieve the perfect solution for any given material/workpiece and machining task. PFERD power tools include electric, pneumatic and flexible shaft machines. Accessories and tool maintenance equipment for all tools is also available.

The PFERD range of premium quality pneumatic grinders includes straight and angle heads, COMBIDISC-specific tools and belt sanders. RPM's from 80,000 to 12,000, rear or front exhaust, and multiple throttle styles. The common features throughout the line include high power output, low vibration, long service life and quality components.

This lightweight, easy-to-handle air tool offers big performance in a small package. Perfect for fine milling, grinding and engraving work, Model PGAS 1/800 is lightweight and easy to handle. Ideal for use with 1/8" shank PFERD Carbide Burs and Mounted points.

- **Features:**
 - Ring (twist) Throttle
 - Rear Exhaust with Silencer
- **Specifications:**
 - RPM: 80,000
 - Air consumption: 6.4 cfm
 - Requires oil mist lubrication
- **Includes:**
 - Tool Model PGAS 1/800
 - 1/8" collet
 - 3/16" I.D. air supply hose
 - Exhaust hose
 - Keys
