

## Air Grinders - Straight Grinder - PGT 3/700 - 70,000 RPM / 0.3 HP (220 Watts) - PGT 3/700 Keys, Wrenches

PFERD offers a wealth of possibilities for combining abrasives and power tool systems to achieve the perfect solution for any given material/workpiece and machining task. PFERD power tools include electric, pneumatic and flexible shaft machines. Accessories and tool maintenance equipment for all tools is also available.

The PFERD range of premium quality pneumatic grinders includes straight and angle heads, COMBIDISC-specific tools and belt sanders. RPM's from 80,000 to 12,000, rear or front exhaust, and multiple throttle styles. The common features throughout the line include high power output, low vibration, long service life and quality components.

Engineered for high performance industrial use, Model PGT 3/700 includes many features to maximize your efficiency and minimize your costs. While optimized for performance, the tool is pleasurable to use as well, featuring rear exhaust, low noise output, and a lightweight, compact design that provides easy handling and excellent tool control.

Model PGT 3/700 ships with a set of keys. Additional or replacement keys are readily available.
