

## ST-series, bolting tool-pump sets

- Performance match tool-pump sets
- **Nut Splitter Sets** - splits nuts quickly and safety in seconds
- **Flange Spreader Sets** - separate pipe flanges with ease, enabling efficient maintenance tasks
- **Wedge Spreader Set** - friction-free, smooth and parallel wedge movement without risk of spreading arm failure
- All sets include 1,8 m safety hose HC-7206, gauge GP-10S and gauge adapter GA-2
