

Transport and work bench

GTA 2500 W Professional

Unlimited flexibility – The new mobility concept for bench top tools

- Double the benefit: a means of transport and a work bench in one
- Easy to assemble and dismantle with only one lever movement, without having to remove the bench top tool
- Large pneumatic tyres for convenient transport, even on uneven construction site terrain

- Robust steel construction for high level of work safety and long lifetime
- Excellent stability on any surface due to height-adjustable feet

Technical data

Length of work bench 2.500 mm

Weight 35 kg

Height of work bench 947 mm
