

Bur Sets & Counter Displays - Showcases for Tungsten Carbide Burs - Empty Showcase

PFERD conveniently lists all Tungsten Carbide Burs and and Bimetal Hole Saws and Accessories into a single and concise catalog, Section 202.

Precision CNC manufactured PFERD carbide burs offer unparalleled rotational balance, service life and performance. PFERD has decades of manufacturing experience, producing the highest performance bur on the market.

Choose from several collections of popular PFERD burs in attractive and protective wooden boxes for superior storage and accessibility. Displays are intended for PFERD distributors use.

PFERD distributors use this display as a counter top unit to promote PFERD burs, or as a component part of a complete distributor merchandising system available to authorized distributors of PFERD products. This unit displays 20 of PFERD's most popular selling burs, and provides secure storage for more than 100 of the burs being displayed.
