

## Chain Saw Files & Accessories - Depth Gauge Files

PFERD chain saw files and accessories are available to suit the needs of every chain saw user, from home owner to park manager to logger. PFERD offers a complete line of chain saw files, as well as some innovative and unique tools that will save you time and money, and keep you safer while working with your saw.

PFERD Flat depth gauge files have two round uncut edges. This allows the correct adjustment of the depth gauges, prevents gouging and preserves chain saw life.
