

Chain Saw Files & Accessories - Round Files

PFERD chain saw files and accessories are available to suit the needs of every chain saw user, from home owner to park manager to logger. PFERD offers a complete line of chain saw files, as well as some innovative and unique tools that will save you time and money, and keep you safer while working with your saw.

These round chain saw files, with a spiral cut, are especially designed for sharpening round hooded and semi-chisel chain saw teeth. They maintain proper shape in saw teeth and give them a completely smooth, scratch-free finish.
