

Chain Saw Files & Accessories - Universal Edge Sharpener & Replacement File

PFERD chain saw files and accessories are available to suit the needs of every chain saw user, from home owner to park manager to logger. PFERD offers a complete line of chain saw files, as well as some innovative and unique tools that will save you time and money, and keep you safer while working with your saw.

The unique Universal Edge Sharpener from PFERD is ideal for removing burrs, squaring and reconditioning your bar. Simply remove the chain and run the tool along the bar rails in easy forward strokes. A 90 degree angle is built in for bar truing. The replaceable file is cut on both sides for twice the life. When it becomes worn, simply open the unit and flip the file.
