

Conveyor Cleaning Brushes and Strip Brushes - Galvanized No.8 Strip Brushes

ADVANCE BRUSH offers a complete range power brushes for Industrial use, including Wheel, End, Cup, Shaft Mount, and Tube brushes. Featuring M-BRAD™ Nylon Abrasive filament wheels, cup, disc brushes and more.

72" strip brushes are available in carbon and stainless steel wire, Tampico, and a variety of synthetic materials including Prostran and M-Brad. Used for a variety of applications including dusting, spreading, guarding, chip removal, static elimination, etc. Also available is a wide selection of conveyor cleaning brushes that prevent build-up by removing the carryover of materials that stick to rubber and fabric conveyor belts.
