

Crimped Wire Wheel Brushes - ECAP® Encapsulated Wheels - Encapsulated Wheels - Wide Face

ADVANCE BRUSH offers a complete range power brushes for Industrial use, including Wheel, End, Cup, Shaft Mount, and Tube brushes. Featuring M-BRAD™ Nylon Abrasive filament wheels, cup, disc brushes and more.

Advance manufactures a complete range of individual filament, crimped wire wheels for individual or gang-mounted use. Features include heavy fill density for more wire points, which means more brushing action and longer life; oil tempered, industrial quality wire, and uniform wire disbursement for optimal balance and finish. Choose from Narrow, Medium and Wide Face models, with an additional selection of wheels manufactured exclusively for bench and pedestal grinders.

Encapsulated wheel brushes offers aggressive brushing performance, longer service life, and controlled surface contact area. Available in Narrow, Medium and Wide face brush styles in E3 durometer. E3 is the general purpose grade. Harder durometers are available - Please contact your Advance distributor for additional information.
