

Wall chaser

GNF 65 A Professional

The powerful tool with lots of comfort

- Powerful 2400-watt motor
- Convenient due to starting current limitation and smooth start for more precise working
- Cutting depth can be set without steps, with a scale

- Restart protection
- Overload protection
- Protective guard quick adjustment
- Dust extraction
- Drawing cut for little exertion of force
- Spindle lock for easy disc changes

Scope of delivery

Part no. 0 601 368 765

- Backing flange (ET no. 3 609 202 039)
- Round nut (ET no. 3 609 202 040)
- 3 spacers 4 mm (ET no. 3 609 202 041)
- 4 spacers 6 mm (ET no. 3 609 202 042)
- Break-out tool (ET no. 3 607 959 005)
- Two-hole spanner, bent at right angles (1 607 950 004)
- Carrying case (2 605 438 348)
- Auxiliary handle (2 602 025 075)
- Suction elbow (1 600 793 007)

Package (L/W/H) 710 x 310 x 330 mm

Technical data

Adjustable groove depth 20 – 65 mm

Groove width 3 – 40 mm

No-load speed 5.000 rpm

Disc diameter 230 mm

Rated power input 2.400 W

Power output 1.670 W

Weight without cable 8,4 kg

Length 690 mm

Height 455 mm

Functions

- Spindle lock
- Dust extraction
- Starting current limitation
