

Wet/dry extractor

GAS 50 Professional

The universal extractor with high container volume

- Wet/dry extractor for vacuuming stone and fine dusts
- For clean work with Bosch rotary hammers, wall chasers, angle grinders
- Permanent suction power thanks to automatic Plus-clean, the electromagnetic filter cleaning system

- Increased filter lifetime due to water filling stop
- Remote automatic switching for additional convenience
- Smooth start for overload protection when switched on
- Sturdy chassis for comfortable transportation
- Accessory rack: accessories directly on the tool

Scope of Delivery

Part no. 0 601 989 103

- Hose 3 m, diameter 35 mm (2 609 390 392)
- Coarse dirt nozzle (2 607 000 170)
- Suction regulator control (2 607 000 164)
- 2 polyester filters (2 607 432 017)
- Paper bag (2 605 411 163)
- 2 extraction pipes 0.5 m, diameter 35 mm (2 607 000 162)
- Multi-purpose nozzle (1 609 390 478)
- Crevice nozzle 250 mm (2 607 000 165)

Package (L/W/H) 790 x 690 x 480 mm

Technical data

Rated power input	1.200 W
Weight without cable	16,0 kg
Capacity	50 l
Container volume, gross	50 l
Container volume net water	43 l
Container volume net dust	45 l
Dust bag volume, net	21 l
Filter surface	8.600 cm ²
Filter use category	BIA M

Wheels, number	4
Max. airflow	61 l/sec (at blower)
Max. ventilating pressure	248 mbar (at blower)

Functions

- Starting current limitation
- Remote automatic switching
