

## Encapsulated Brushes – Threaded

ADVANCE BRUSH offers a complete range power brushes for Industrial use, including Wheel, End, Cup, Shaft Mount, and Tube brushes. Featuring M-BRAD™ Nylon Abrasive filament wheels, cup, disc brushes and more.

ECAP® encapsulation increases productivity by 25% or more. Choose ECAP® products for longer brush life, uniform performance, and precision-controlled contact areas. Advance ECAP® product range includes wheel, cup, end, tube, stem mounted brushes and more.

These threaded encapsulated wheels feature a narrow, 3/16" face width for root pass work, and for applications requiring a small, controllable surface contact area.
