

End Brushes - Singletwist® Knot End Brushes

ADVANCE BRUSH offers a complete range power brushes for Industrial use, including Wheel, End, Cup, Shaft Mount, and Tube brushes. Featuring M-BRAD™ Nylon Abrasive filament wheels, cup, disc brushes and more.

Advance Brush is focused upon manufacturing your preferred end brush. As a result, Advance offers the widest end brush product selection anywhere. Choose from various different cup styles, knot arrangements, filament types and specialties such as bridles, encapsulation and coated cups.

New Singletwist® Knot End Brushes reach where conventional end brushes cannot. Designed especially for brushing into internal corners and edges where access is limited.
