

## DGR-series, digital pressure gauge

- Two modes:
  - automatic shut off (15 min)
  - Continuous display
- Zero reset - ensures that gauge reads actual system pressure
- Display in psi, bar, MPa, mbar, hPa and kPa
- 3 volt battery, 1400 hours operation
- IP 65 protection

Pressure Rating bar		Pressure Rating MPa		Model Number
Range	Interval	Range	Interval	
0-1000	0,2	0-100	0,02	<b>DGR-1</b>

High pressure rating: 0 - 15.000 psi; interval 3 psi.
