

Knot Wheels, Unthreaded - Standard Twist - Long Flag - Stainless Standard Twist Long Flag

ADVANCE BRUSH offers a complete range power brushes for Industrial use, including Wheel, End, Cup, Shaft Mount, and Tube brushes. Featuring M-BRAD™ Nylon Abrasive filament wheels, cup, disc brushes and more.

Advance unthreaded knot wheels are available in a variety of twist-types and knot configurations. Ranging from 3" to 16" in diameter, selection includes standard twist single and double row brushes for aggressive brushing action, as well as specialty brushes like short trim wheel for high impact, heavy duty use, and long trim for a less aggressive brushing action and improved surface finish. Includes pipe cleaning and joint expansion brushes.

Long Flag Standard Twist Knot Wheel Brushes feature an extended flag length (untwisted portion at the end of the knot). This provides a better surface finish than standard twist knot brushes, while brushing more aggressively than crimped wire wheels.

Listed in this section is the complete range of Long Flagged, Standard Twist knot wheel manufactured with Stainless Steel wire.
