

Angle grinder

GWS 24-230 LVI Professional

The powerful tool with the lowest weight

- Powerful 2400 W Champion motor and rotating bow handle
- Lowest weight in its class
- Vibration reduced by up to 50% thanks to Vibration Control main handle and auxiliary handle, for low-fatigue working (EN 60745)

- Kickback Stop: detects when the disc is jammed and shuts down the tool immediately
- Restart protection prevents the tool from automatically restarting after a power cut
- Starting current limitation and smooth start of the machine
- Anti-rotation protective guard – quickly and easily adjustable, provides reliable protection
- Soft grip for comfortable handling of the machine
- Armored coils that protect the motor against sharp grinding dust ensure long lifetime

Scope of delivery

Part no. 0 601 893 H04

- Quick adjustment protective guard (2 605 510 281)
- Backing flange (1 605 703 099)
- Locking nut (1 603 340 040)
- Two-hole spanner (1 607 950 048)
- Vibration Control auxiliary handle (2 602 025 172)

Voltage, electrical 230 V

Technical data

Rated power input	2.400 W
No-load speed	6.500 rpm
Grinding spindle thread	M 14
Main handle	Bow (rotatable)
Disc diameter	230 mm

Weight without cable (EPTA standard) 5,5 kg

Functions

- Starting current limitation
- Champion motor
- Kickback Stop
- Smooth start
- Anti-rotation protective guard
- Vibration Control main handle
- Restart protection
