

FN, MF, BS-series, cylinder accessories

**For optimum mounting and fixture flexibility
...to match specific applications**

- **Mounting flanges:**
For bolting cylinders to suit the application
- **Flange nuts:**
For mounting threaded body cylinders in any position
- **Contact bolts:**
Allow cylinders to act as a datum point in your clamping applications, and protect the piston when cylinders are used for pushing applications

Mounting Thread	Flange Nut	Mounting Flange	Spherical Contact Bolt
mm	Model Nr.	Model Nr.	Model Nr.
