

## Machinist Files - Round Files

This popular machinist file is designed for enlarging circular holes or rounded grooves that are too small for a half round file. It tapers toward the point making it adaptable for use on various size holes.

EDP	Name	Length	Diameter	Cut	
11061	Round File 4	5/32		Bastard	<a href="#">Request Info</a>
11062	Round File 4	5/32		Second	<a href="#">Request Info</a>
11063	Round File 4	5/32		Smooth	<a href="#">Request Info</a>
11064	Round File 6	7/32		Bastard	<a href="#">Request Info</a>
11065	Round File 6	7/32		Second	<a href="#">Request Info</a>
11066	Round File 6	7/32		Smooth	<a href="#">Request Info</a>
11067	Round File 8	5/16		Bastard	<a href="#">Request Info</a>
11068	Round File 8	5/16		Second	<a href="#">Request Info</a>
11069	Round File 8	5/16		Smooth	<a href="#">Request Info</a>
11070	Round File 10	3/8		Bastard	<a href="#">Request Info</a>
11071	Round File 10	3/8		Second	<a href="#">Request Info</a>
11072	Round File 10	3/8		Smooth	<a href="#">Request Info</a>
11073	Round File 12	1/2		Bastard	<a href="#">Request Info</a>
11074	Round File 12	1/2		Second	<a href="#">Request Info</a>
11075	Round File 12	1/2		Smooth	<a href="#">Request Info</a>
11076	Round File 14	5/8		Bastard	<a href="#">Request Info</a>
11077	Round File 14	5/8		Second	<a href="#">Request Info</a>
