

Minigrinder Brushes - Encapsulated Stringer Bead Knot Wheel

ADVANCE BRUSH offers a complete range power brushes for Industrial use, including Wheel, End, Cup, Shaft Mount, and Tube brushes. Featuring M-BRAD™ Nylon Abrasive filament wheels, cup, disc brushes and more.

These Advance power brushes are designed for use on high speed air and electric mini grinders. The extensive product range includes all thread sizes to match your power tool. Choose from Standard, Full cable and Stringer Bead knot types as well as Crimped and Encapsulated wire products. Wheels, Cups and Bevel Brushes are available in Carbon Steel, Stainless Steel and Brass wire filaments. Also available is a wide range of mini brushes featuring the exclusive and innovative COMBITWIST Knot technology. High performance COMBITWIST knot wheels and cup brushes will reduce your work time and save you time and money.

Encapsulated Stringer Bead Brushes offer the most aggressive brushing action available. The stiff encapsulation wears away, exposing short wire trim lengths for aggressive brushing action. The elastomer also keeps wire from flaring for controlled brushing in confined areas.
