

Minigrinder Brushes - High Speed Crimped Wheels - Carbon Steel Wire

ADVANCE BRUSH offers a complete range power brushes for Industrial use, including Wheel, End, Cup, Shaft Mount, and Tube brushes. Featuring M-BRAD™ Nylon Abrasive filament wheels, cup, disc brushes and more.

These Advance power brushes are designed for use on high speed air and electric mini grinders. The extensive product range includes all thread sizes to match your power tool. Choose from Standard, Full cable and Stringer Bead knot types as well as Crimped and Encapsulated wire products. Wheels, Cups and Bevel Brushes are available in Carbon Steel, Stainless Steel and Brass wire filaments. Also available is a wide range of mini brushes featuring the exclusive and innovative COMBITWIST Knot technology. High performance COMBITWIST knot wheels and cup brushes will reduce your work time and save you time and money.

Advance 4" diameter crimped wire wheels with a maximum safe free speed rating of 12,500 are available with various thread sizes for use on angle grinders. Crimped wire leaves a superior surface finish than knot wire wheels, and offers a light, flexible brushing action for general surface cleaning.
