

Non-Catalog Items - Half Round Files

These files are used for filing out concave surfaces and crevices, and for rounding out holes. The spiral cut enables them to remove metal rapidly and leaves a smooth finish.

EDP	Length	Width	Thickness	Cut	
11034	14	1-9/32	13/32	Smooth	Request Info
11035	16	15/32	15/32	Bastard	Request Info
