

## Non-Catalog Items - Mill Files

This type of file is suitable both as an engineering and a sharpening file. Useful for filing where a smooth finish is important. Two square edges. Single cut on sides and edges. All sizes slightly tapered in width.

EDP	Length	Width	Thickness	Cut	
19013	14	1-5/16	1/4	Bastard	<a href="#">Request Info</a>
19014	14	1-5/16	1/4	Second	<a href="#">Request Info</a>
19015	14	1-5/16	1/4	Smooth	<a href="#">Request Info</a>
19016	16	1-1/2	9/32	Bastard	<a href="#">Request Info</a>
