

Perfect Files - Flat File with Handle

PFERD offers THE PERFECT FILE for professional use. Packaged with a stylish, new "friction-grip" handle already attached in a new practical 5-pack carton.

Tapered in width at the point and slightly tapered in thickness at the point. Flat Files are double cut on both sides and are single cut on the edges. Used extensively by machinists on ferrous and non-ferrous metals for rapid stock removal. Packaged with a stylish, new "friction grip" handle already attached in a new practical 5-pack carton.
