

Perfect Files - Half round File with Handle

PFERD offers THE PERFECT FILE for professional use. Packaged with a stylish, new "friction-grip" handle already attached in a new practical 5-pack carton.

These files are used for filing out concave surfaces and crevices, and for rounding out holes. The spiral cut enables them to remove metal rapidly and leaves a smooth finish. Packaged with a stylish, new "friction grip" handle already attached in a new practical 5-pack carton.
