

Perfect Files - Round File with Handle

PFERD offers THE PERFECT FILE for professional use. Packaged with a stylish, new "friction-grip" handle already attached in a new practical 5-pack carton.

This popular machinist file is designed for enlarging circular holes or rounded grooves that are too small for a half round file. It tapers toward the point making it adaptable for use on various size holes. Packaged with a stylish, new "friction grip" handle already attached in a new practical 5-pack carton.
