

Polishing Tools & Pastes - Cloth Rings - Soft Cloth Rings

PFERD produces a complete range of coated and non-woven abrasives including Fiber Discs, Flap Wheels, Belts, Flap Discs, Rolls and much more. With innovative specialties like POLICAP® seamless abrasive caps, you'll find new solutions for your finishing needs with PFERD.

PFERD offers an extensive range of polishing tools in diverse shapes and diameters. A wide selection of products is available to achieve refined surfaces on all materials. Felt wheels and points, cloth rings, polishing pastes and grinding compounds create a product selection that will allow you to achieve your desired surface finish on any workpiece geometry.

Cloth rings are available in four styles. These tools are used with polishing pastes for pre-polishing and high-gloss polishing tasks. For very smooth finishes it may be recommended to use several, or even all, types in succession.

Soft Cloth (TW) is best suited for medium to soft, high-gloss polishing of

- All metals with pink polishing paste (EDP 48763)
- Plastics with beige polishing paste (EDP 48764)
