

Polishing Tools & Pastes - Felt Wheels - Brass Impregnated

PFERD produces a complete range of coated and non-woven abrasives including Fiber Discs, Flap Wheels, Belts, Flap Discs, Rolls and much more. With innovative specialties like POLICAP® seamless abrasive caps, you'll find new solutions for your finishing needs with PFERD.

PFERD offers an extensive range of polishing tools in diverse shapes and diameters. A wide selection of products is available to achieve refined surfaces on all materials. Felt wheels and points, cloth rings, polishing pastes and grinding compounds create a product selection that will allow you to achieve your desired surface finish on any workpiece geometry.

Felt wheels are normally used for polishing with the peripheral surface.

Brass impregnated felt wheels provide increased stock removal in pre-polishing with diamond abrasive pastes.
