

Planer

GHO 40-82 C Professional

The planer for extremely high surface quality

- The highest surface quality due to ultra-sharp blades and constant speed, even when working in hardwood
- The fastest and least expensive blade changes on the market due to durable Wood razor reversible blades and the easiest possible adjustment
- The longest lifetime due precise aluminum bearing seat and thermodynamic motor protection

- Easy, precise and clearly legible depth of cut setting
- Comfortable working due to chip clearance to left or right, as desired
- 3 V-grooves for easy and flexible chamfering
- Work piece is protected thanks to parking rest
- Lock-off switch for left-handers and right-handers
- Planing blade and key depot
- Handle and guide handle with soft grip
- Complete with all accessories (tungsten carbide reversible blade, rebating width guide, rebating depth guide)

Scope of delivery

Part no. 0 601 59A 760

- Dust bag (2 605 411 035)
- Rebating depth guide (1 608 132 006)
- Carrying case (2 605 438 567)
- Additional blade (2 608 635 376)
- Parallel guide (2 607 000 102)

Voltage, electrical 230 V

Technical data

Rated power input	850 W
Power output	450 W
Adjustable chip thickness	0 – 4,0 mm
Weight without cable	3,2 kg
Adjustable rebating depth	0 – 24 mm
No-load speed	14.000 rpm

Created with

Length	296,0 mm
Width	169,0 mm
Height	173,0 mm
Planing width	82 mm

Functions

- Constant Electronic
- Dust extraction
