

Rasps - Half Round Rasps

PFERD Rasps offer extremely long service life and optimal tooth geometry for high removal rates with less operator force required. Complete shape assortment includes flat, half round, round, and more!

Cut on both flat and rounded sides with single cut edges, this rasp is thinner and has a larger radius on the rounded side than the Half Round Rasp. Made with finer teeth, it tapers toward the point – leaves a smoother finish.

EDP	Name	Length	Width	Thickness	Cut	
15012	Half Round	10	31/32	9/32	Second	Request Info
15006	Half Round	6	5/8	3/16	Second	Request Info
