

## SANDING ACCESSORIES

### Random Orbital Disc

Used with random orbital sanders, for sanding large flat surfaces & curves.

### Random Orbital Sanders

Ideally suited for sanding large flat surfaces & curves. The circular sanding pad's unique motion of orbiting & spinning at the same time makes this a versatile sander for: Coarse to medium sanding: for fast removal of stock & painted surfaces in wood & plaster. Fine sanding: for producing fine scratch free surfaces in wood.

### Orbital Sheet

Used with orbital sanders, for sanding large flat surfaces & corners.

### Orbital Sanders

Ideally suited for sanding large flat surfaces & corners. The rectangular sanding pad's orbiting motion makes this sander suited to: Coarse to medium sanding: of bare & painted surfaces in wood & plaster. Fine sanding: for producing fine sanded surfaces in wood.

### Sanding Belt

Used with belt sanders, for heavy sanding of large surfaces.

### Belt Sanders

Ideally suited for heavy sanding of large surfaces. Aggressive stock removal makes this sander suited to the coarse sanding of: Coarse to medium sanding: of bare & painted surfaces in wood e.g. doors & counter tops.

### Delta Disc

Used with delta sanders, for detailed sanding & sanding of small corners.

### Delta Sanders

Ideally suited for detailed sanding & sanding of small corners. The small triangular sanding pad's orbiting motion makes this sander suited to detailed sanding of: Coarse to medium sanding: of bare wood & painted surfaces in wood & metal e.g. window frames. Fine sanding: for fine sanding of intricate areas in wooden objects.

## Sanding Disc

Used with angle grinders, for tough sanding jobs on metal or wood.

## Grinder Polisher

Ideally suited for tough sanding jobs on metal or wood. Aggressive & rapid stock removal makes this sander suited to the removal of: Coarse to medium sanding: of welding joints, wooden seams, railway sleepers and fast removal of most materials, ideal for automotive refinishing.

## Wet/Dry Sanding Sheets

## Cabinet Paper Sanding Sheets

## All Purpose Sanding Roll
