

Angle grinder

GWS 15-150 CIH Professional

Ultimate power with perfect handling

- Good handling due to ergonomic handle with soft grip and best power-to-weight ratio for continuous use and overhead work
- The most powerful 1500 W Champion motor with restart protection
- For 150 mm discs – more cutting depth and higher material removal rate

- Kickback Stop: detects when the tool is jammed and shuts it down immediately
- Anti-rotation protective guard – quickly and easily adjustable, provides reliable protection
- Vibration Control auxiliary handle with 40% vibration reduction for low-fatigue working (EN 60745)
- Safety switch for immediate shutdown when the user lets go of the machine
- Constant Electronic for constant speed, also under heavy load
- Overload protection, smooth start and starting current limitation
- Gear head can be rotated in 90° steps
- Handle can be used on right or left

Scope of delivery

Part no. 0 601 830 503

- Protective guard (1 605 510 366)
- Backing flange (ET no. 2 605 703 014)
- Locking nut (ET no. 1 603 345 043)
- Two-hole spanner (ET no. 1 607 950 052)
- Carrying case (2 605 438 619)
- Vibration Control auxiliary handle (2 602 025 123)

Voltage, electrical 230 V

Technical data

Rated power input	1.500 W
No-load speed	9.300 rpm
Power output	860 W
Grinding spindle thread	M 14

Created with

Disc diameter	150 mm
Rubber sanding plate, diameter	125 mm
Wire cup brush, diameter	70 mm
Weight without cable (EPTA standard)	2,4 kg

Functions

- Starting current limitation
- Champion motor
- Constant Electronic
- Kickback Stop
- Smooth start
- Overload protection
- Anti-rotation protective guard
- Restart protection
