

Stem Mounted Brushes - Crimped and Encapsulated Wire Mounted Cup Brushes - Crimped Wire Mounted Cup

ADVANCE BRUSH offers a complete range power brushes for Industrial use, including Wheel, End, Cup, Shaft Mount, and Tube brushes. Featuring M-BRAD™ Nylon Abrasive filament wheels, cup, disc brushes and more.

Advance offers a wide selection of brushes mounted on 1/4" shanks for use with collet-equipped air and electric tools. Range includes crimped and knot wire wheel brushes, crimped cup brushes, flared cups, circular end brushes and specialty products. For spot facing applications, working in confined or recessed areas and I.D.'s. Filament availability includes high carbon steel and stainless steel wire, with many selections additionally offered in brass, encapsulated carbon steel and M-BRAD™ nylon abrasive filament.

Advance cup brushes mounted on 1/4" stems for use on collet-equipped power tools. Available in crimped wire, and encapsulated crimped wire for maximum brushing aggression.
