

G-series, pressure gauges

- Highly reliable and accurate pressure sensing
- $\pm 1,5\%$ accuracy of full scale
- All pressure sensing parts sealed and damped by glycerine for long life
- Includes safety blow-out disk and pressure equalizing membrane to prevent over pressurization
- Copper alloy, coiled safety Bourdon tube for 70 bar and higher
- Dual psi and bar scale readings

Pressure Range		Model Number *		PSI Graduation		Bar Graduation		Connection
psi	bar			Major	Minor	Major	Minor	
				psi	psi	bar	bar	NPT
0 - 600	0 - 40	G-2513L	-	100	10	10	1	1/4"
0 - 1000	0 - 70	G-2514L	-	100	20	10	1	1/4"
0 - 2000	0 - 140	G-2515L	-	500	50	10	2	1/4"
0 - 3000	0 - 200	G-2516L	-	500	50	50	5	1/4"
