

VFC-series, flow control valves

- Provide repeatable oil flow control
- Internal check valve allows metering flow in one direction and free flow in opposite direction
- Color coded flow indicator
- Fine metering capability
- Lockable
- Standard Viton seals

Maximum Oil Flow	Pressure Range	Oil Ports	Model Number	Maximum Pressure Drop	Weight
l/min	bar			bar	kg
38	0 - 350	SAE #4	VFC-1	105	0,8
38	0 - 350	G 1/4"	VFC-2	105	0,8

Seal material: Viton.
