

WM, PB-series, remote and porting manifolds

- Simplifies valve and accessory mounting with VP-series valves and options

Remote manifold WM-10

- Allows remote VP-series valve mounting
- Adjustable relief valve incorporated
- G1/4" oil connection

Porting manifold PB-1

- Provide 3 auxiliary pressure lines
- G1/4" oil connection

Oil Ports	Maximum Pressure	Remote Manifold Model Nr.	Porting Manifold Model Nr.
	(bar)		
2x G1/4"	350	WM-10	–
3x G1/4"	350	–	PB-1

Use TRK-series Tie Rods for valve and accessories mounting.

VP-series valve options
